

# **M**INOCQUA PARK COMPLEX

PLAYGROUND FUND

The Town of Minocqua's new 27-acre park complex offers numerous recreational opportunities to the public!

The park has been well-developed and well-received by the public, but there is one specific improvement we really want to add...and we need your help! **A TOP-NOTCH PLAYGROUND FACILITY FOR CHILDREN** will really round-out the park and serve as an excellent added draw! To make the playground a reality, we need to raise approximately \$50,000. Can you help us reach our goal?

YES! I want to help develop a Playground Facility for children at the new Minocqua Park Complex! Enclosed is a donation for that purpose.
